ABOUT COMPANY

Dali Incense Sticks, the most respected brand for quality and trust, has a reputation of introducing new and innovative products in the industry. It has over 100 products ranging from Incense Sticks, Dry Dhoop, Wet Dhoop, Cone Dhoop & Hawan Samagri.

Dali Perfumery Works, a proud family owned business based in Satna, Madhya Pradesh. Its history dates back to early 1986 in a small house by **Shri Devidas Mirani (Founder of the Company)**. Initially he was helped by all his family members, from making of goods to its marketing and supply, all the work was helped & handled by the present **Chairman and Vice Chairman, Shri Daulatram Mirani and Shri Shankar Mirani**.

With the enthusiasm, honesty and zeal of the company, it shifted from a small house to a rented property with their trusted employees. In 1998 the company expands its operation from 4000 sq. feet self-owned property. During this period, the company started selling their products to 3 states viz. Madhya Pradesh, Uttar Pradesh and Chhattisgarh.

Today the company has expanded its operations in One-Acre spacious premises with better facilities and also promote its brand to 20 states across the country. The company makes his mark in exports by starting its operations in Nepal, Sri Lanka and Indonesia.

Company always works with a vision to produce premium quality products offering highest value for money to its consumers. These Incense products have a fine enchanting aroma, which is sure to rejuvenate one's senses. Today, its young, energetic and passionate team consists of **Managing Director and Director, Shri Rohit Mirani and Shri Prateek Mirani** respectively believes and follows the same vision on which the company was founded. Their uncompromising attitude towards client satisfaction has resulted in building a strong rapport with its domestic and international clients.

Dali Perfumery Works, being one of the oldest and largest manufacturers of Incense Sticks in their region is also a premier exporter of high quality incense and dhoop sticks. Dali Perfumery Works has various brands in its portfolio which are specially designed for International Markets.

It also has the flexibility to produce and design, incense and dhoop sticks for specific markets. Please feel free to contact our young, energetic team for any specific product development.
